3. Old Business

a. Aggregate Power Working Group:

i. Working session to discuss calls with New London and Keene and review Update to Selectboard: scheduled for June 12, 2023 Mary

*Mary, Tracy and Sue reviewed recent calls with New London and Keene on their paths to Community Power. New London joined the Community Power Coalition of New Hampshire; Keene worked with a team of consultants Standard Power and Good Energy and is rolling out Community Power this month with rates significantly lower than those from Eversource (as is the Coalition rate). We discussed what additional information we need to gather to be able to make a recommendation to the Selectboard. We reviewed the slide deck Mary will present tonight to the Selectboard.*

b. Meetings with local businesses Andrew, Lisa, Tracy

*Andrew provided an update on meetings with Bluebird Sunapee and Bubba's. Additional meetings are planned.*

c. Old Home Day planning, Saturday July 9th Lisa

*Lisa reviewed the significant planning efforts to date. Newbury Energy has the Town meeting room reserved from 10am-noon on Old Home Day. Lisa has confirmed a solar vendor, a thermal imaging vendor who can also provide guidance on NH Saves opportunities, and a vendor who will demo electric lawnmowers and other tools. Andrew confirmed he will prepare a new version of the popular Energy Quiz. Tracy is updating the Newbury Energy flyer. We will also have information available on the Newbury Solar Array and the exploration of Community Power.*
