Community Power

Purpose

RSA 53 E:1

Provide **access to competitive markets** for supplies of electricity and related energy services

Provide **small customers similar opportunities to those available to larger customers**, in obtaining lower electric costs, reliable service, and secure energy supplies

Encourage voluntary, cost effective and innovative solutions to local needs **with careful consideration of local conditions and opportunities**

What is Community Power?

Supply

Municipality procures electricity supply for residents and small businesses but does not take ownership of the power

Delivery

Eversource continues to provide all delivery, emergency, and billing services including the same work crews

Program Goals

Rate relief for customers upon program launch

Stable rates preferred by customers

- ✓ level monthly costs
- ✓ allow for planning, budgeting and evaluating investments
- ✓ plan expenses out further than the duration of the utility default rate of six months

Long-term savings on electric bills is the goal, through program design, implementation and evolution

No individual customer contracts or exit fees

Consumer protections
